Professional Summary

2026 B.E. Electrical and Electronics Engineering graduate transitioning into Software Development, with hands-on experience building 3 full-stack web applications using Java, Spring Boot, React, Python, JavaScript, PHP, and SQL. Strong foundation in REST APIs, JWT authentication, database integration, Docker, Git, and cloud deployment, with a focus on backend and full-stack development.

Technical Skills

Languages: Java, Python, JavaScript, PHP, SQL

Frontend: React.js, HTML5, CSS3, Tailwind CSS

Backend: Spring Boot, REST APIs, JWT Authentication

Databases: MySQL, H2

CMS: WordPress, WooCommerce

Tools: Git, GitHub, Docker, Maven, Vercel, Render

Concepts: OOP, Data Structures, DBMS, CRUD, API Integration

Projects

DocTime – Online Doctor Appointment Booking System GitHub | Live Demo

Java, Spring Boot, React, MySQL

- Developed a full-stack healthcare platform supporting user registration, authentication, doctor discovery, and appointment scheduling.
- Built secure REST APIs using Spring Boot with JWT-based authentication and authorization.
- Implemented server-side validation to prevent duplicate appointments and maintain booking consistency.
- Integrated MySQL for persistent management of users, doctors, and appointment data.

Smart Freelance Hub GitHub | Live Demo

Java, Spring Boot, React, MySQL

- Developed a full-stack platform connecting clients and freelancers for project posting, applications, and management.
- Built REST APIs for user management, project creation, freelancer applications, and project workflows.
- Developed a responsive React frontend integrated with Spring Boot APIs and MySQL.

ShopSphere – E-Commerce Website GitHub | Live Demo

PHP, WordPress, WooCommerce, HTML, CSS, JavaScript, MySQL

- Built a custom WooCommerce theme with product listings, categories, wishlist, cart and checkout.
- Developed a PHP wishlist feature for guest and logged-in users, and an automated store setup for products and menus.
- Deployed the live website using WordPress hosting on InfinityFree.

Education

Bachelor of Engineering (B.E.) – Electrical and Electronics Engineering 2026

SNS College of Engineering, Coimbatore

Certifications & Courses

- Microsoft Certified: Azure AI Fundamentals (AI-900) – Microsoft, 2025
- Intermediate Coding Course – PrepInsta
- Basic Coding Course – PrepInsta
